Packing Dishes

Don't know how to pack your dishes? Here it is!

- ★ Select a medium-sized carton (or mover provided dishpack) and line the bottom of the carton with crumpled packing paper.
- ★ With packing paper stacked neatly in place on a work table, center one plate on the paper.
- ★ Grasp a corner on several sheets of packing paper and pull the paper over the plate until sheets completely cover the plate. Stack a second plate on and, moving clockwise, grasp a second corner and pull sheets over the second plate.
- ★ Stack a third plate. Grasp remaining two corners, folding two sheets of each corner (one at a time) over the plate.
- ★ Turn your wrapped stack of plates upside down onto your packing paper.
- ★ Re-wrap the entire bundle: start with one corner of packing paper and pull two sheets over the bundle, cover bundle with next corner, then the third corner; and finally, the fourth.
- ★ Seal the bundle with packing tape.
- ★ Place the bundle of dish-ware in a medium-size box so that the plates are standing on edge. Use this process on all saucers, bread and butter dishes, and other dishware. When packing smaller dishes, you may choose to stack in greater quantity.
